

## CONSULTANCY SERVICES OF GAS EXPERT

*Pakistan Electric Power Company (Pvt) Limited (PEPCO) is mandated by the Government of Pakistan for implementation and management of the Reforms and Restructuring of Pakistan's Power Sector, under the GOP policy to move the WAPDA Power Wing Companies towards Autonomous and Commercial Operations. The Power Sector includes 14 entities (9 DISCOs, 4 GENCOs & NTDC) covering the entire geographical area of Pakistan except Karachi, which is provided electricity by KESC. This is the largest economic sector of the nation with, revenue exceeding US\$ 6 billion.*

**PEPCO is looking for Consultancy services of a Natural Gas expert based Lahore for assistance of PEPCO Management to facilitate un-interrupted and economical provision of Natural Gas for various Thermal Power Stations operating in its Generation Companies and to liaise with IPPs related to Gas issues.**

### Terms of References (TOR)

He will be assisting the Management on the matters of provision of Gas supplies for GENCOs & IPPs with special focus on following.

- Liaising with Gas Suppliers for continuous availability of Gas to Power Plants.
- Short and long term projections on Gas availability.
- Guidance to GENCOs / IPPs on Economic Usage of gas.
- Liaison with the concerned Ministries and Gas Companies.
- Developing New Gas Supply Agreements (GSAs).
- Renewal / resumption of already signed GSAs, where necessary.
- Allocation of gas from new / existing sources for existing GENCOs and upcoming power plants.

### Qualifications, Experience & Age

The Gas professionals with relevant work experience of 20-25 years with SNGPL / SSGC or from similar organizations of International repute in the Senior Management position, dealing with the Transmission & Distribution of Gas and preferably those, heading the Distribution and Gas Control Sections, are invited for rendering their services to PEPCO. The candidates are expected to have good understanding of measurement facilities, the industrial usage of Gas and other alternates to Gas including LNG / LPG / SNG. Besides, expertise / comprehension of Gas exploration will be an added plus. The candidates are expected to be in good health.

### Remunerations

Market based remuneration package as prevalent in comparable organizations consolidated for all facilities, vehicle etc. or salary package drawn at the time of retirement monetized for all facilities will be offered. Full medical for self and family will be provided through chain of WAPDA administered hospitals and medical services.

### Tenure

The tenure of contract will be initially for one year and extendable on performance and requirements.
